

# Shoelace Tassels

## SUPPLIES AND TOOLS:

- POPTape™: Zig & Zag, Lagoon Blue, Dynamite Red.
- Scissors/Craft Knife.

## SKILL LEVEL: Beginner

### Step 1

Cut or tear a 15cm length of Zig & Zag POPTape. Fold it over lengthways to join the sticky sides together, leaving a 4mm wide section of adhesive exposed.

### Step 2

To make the tassels, use small scissors to cut the slits all the way to the exposed adhesive strip. Be careful not to cut all the way through.

### Step 3

Attach your tassels to your laces by winding them around the sealed end of the shoelace. For added WOW factor, cut a few small strips of tape in red and blue and add these further up the laces.
