

Paperclip Bookmark

SUPPLIES AND TOOLS:

- POPTape™: Any colour/pattern.
- Non-stick Scissors/Craft Knife.
- Large paperclip.

SKILL LEVEL: Beginner

Step 1

Cut or tear a 6cm length of POPTape in the colour you want to use. Cut out any decorative strips or shapes you want to use to decorate your bookmark. Lay the tape sticky side up and lay the paperclip on the short side of the tape, halfway between the midway point and the side of the tape. Make sure you lay the paperclip with the top end on the tape.

Step 2

Fold the tape in half lengthways sticky sides together. Cut a V out of the top and decorate with shapes or strips of tape.
